## Grade and Ranks:

Grade	Rank	Typical Meeting Schedule and specifics	Rank Description
Kindergarten	Lion 	Lions Meet once a month as a den with parents required to be actively involved. A lion coordinator facilitates the first few meetings and then every parent steps in to host a den meeting.	The Lion Cub program has exciting indoor and outdoor activities specifically designed for kindergarten age youth and their adult partner. Adult partners (guardians) are there to support and guide, allowing the new Cub Scout to discover risks and rewards under the security of adult supervision. Lion Cubs learn by doing. As they learn and grow, the relationship with their adult partner (guardian) grows as well. At the conclusion of their kindergarten year, the Lion Cub will transition to Tiger Cubs where they'll earn the Bobcat badge and continue on to even more exciting and educational adventures through Cub Scouting.
1 <sup>st</sup>	Tiger 	Tigers meet once or twice a month as a den and once monthly with the pack. Tigers are required to have a registered adult partner and are accompanied by that adult partner to every meeting and event. A volunteer den leader receives training on the program and facilitates the den meetings.	<p>The Tiger rank is for youth who are in first grade or age seven. To earn the Tiger badge, a youth must complete six required adventures with the den or family and one elective adventure of the den or family's choosing. As the youth completes each adventure, they will receive the adventure loop to wear on their belt. After completing the seven required adventures, they have earned the Tiger badge.</p> <p>After earning the Tiger badge, a Tiger Scout can work on the remaining 12 Tiger electives until they finish first grade (or turns 8 years old). They can choose elective adventures to learn new hobbies and skills. For completing an elective adventure, they'll get an additional loop.</p>
