Attach an executive summary of the project, complete project description, and any supporting materials to this application. Be sure to identify the conservation issue or problem that the project was designed to address as well as any relationship that the project may have to other projects worked on by your unit or others.

The scope of the project should be appropriate for the type of unit applying. For a Boy Scout unit, the project is to be equivalent in scope to an Eagle Scout leadership service project. The project must benefit a school, community, religious organization, or BSA property, or fulfill some other public service purpose. The project must be from an approved conservation category. For a list of approved categories and additional information, please see the official William T. Hornaday Web site at *http://www.scouting.org/awards/hornaday.*

The project must contribute to sound conservation and environmental improvement in the local community, the region, or the nation. The applicant is expected to research potential projects and to choose, with guidance from a Hornaday adviser, a worthy project.
